SUBJECT: Feasibility Study Input Meeting

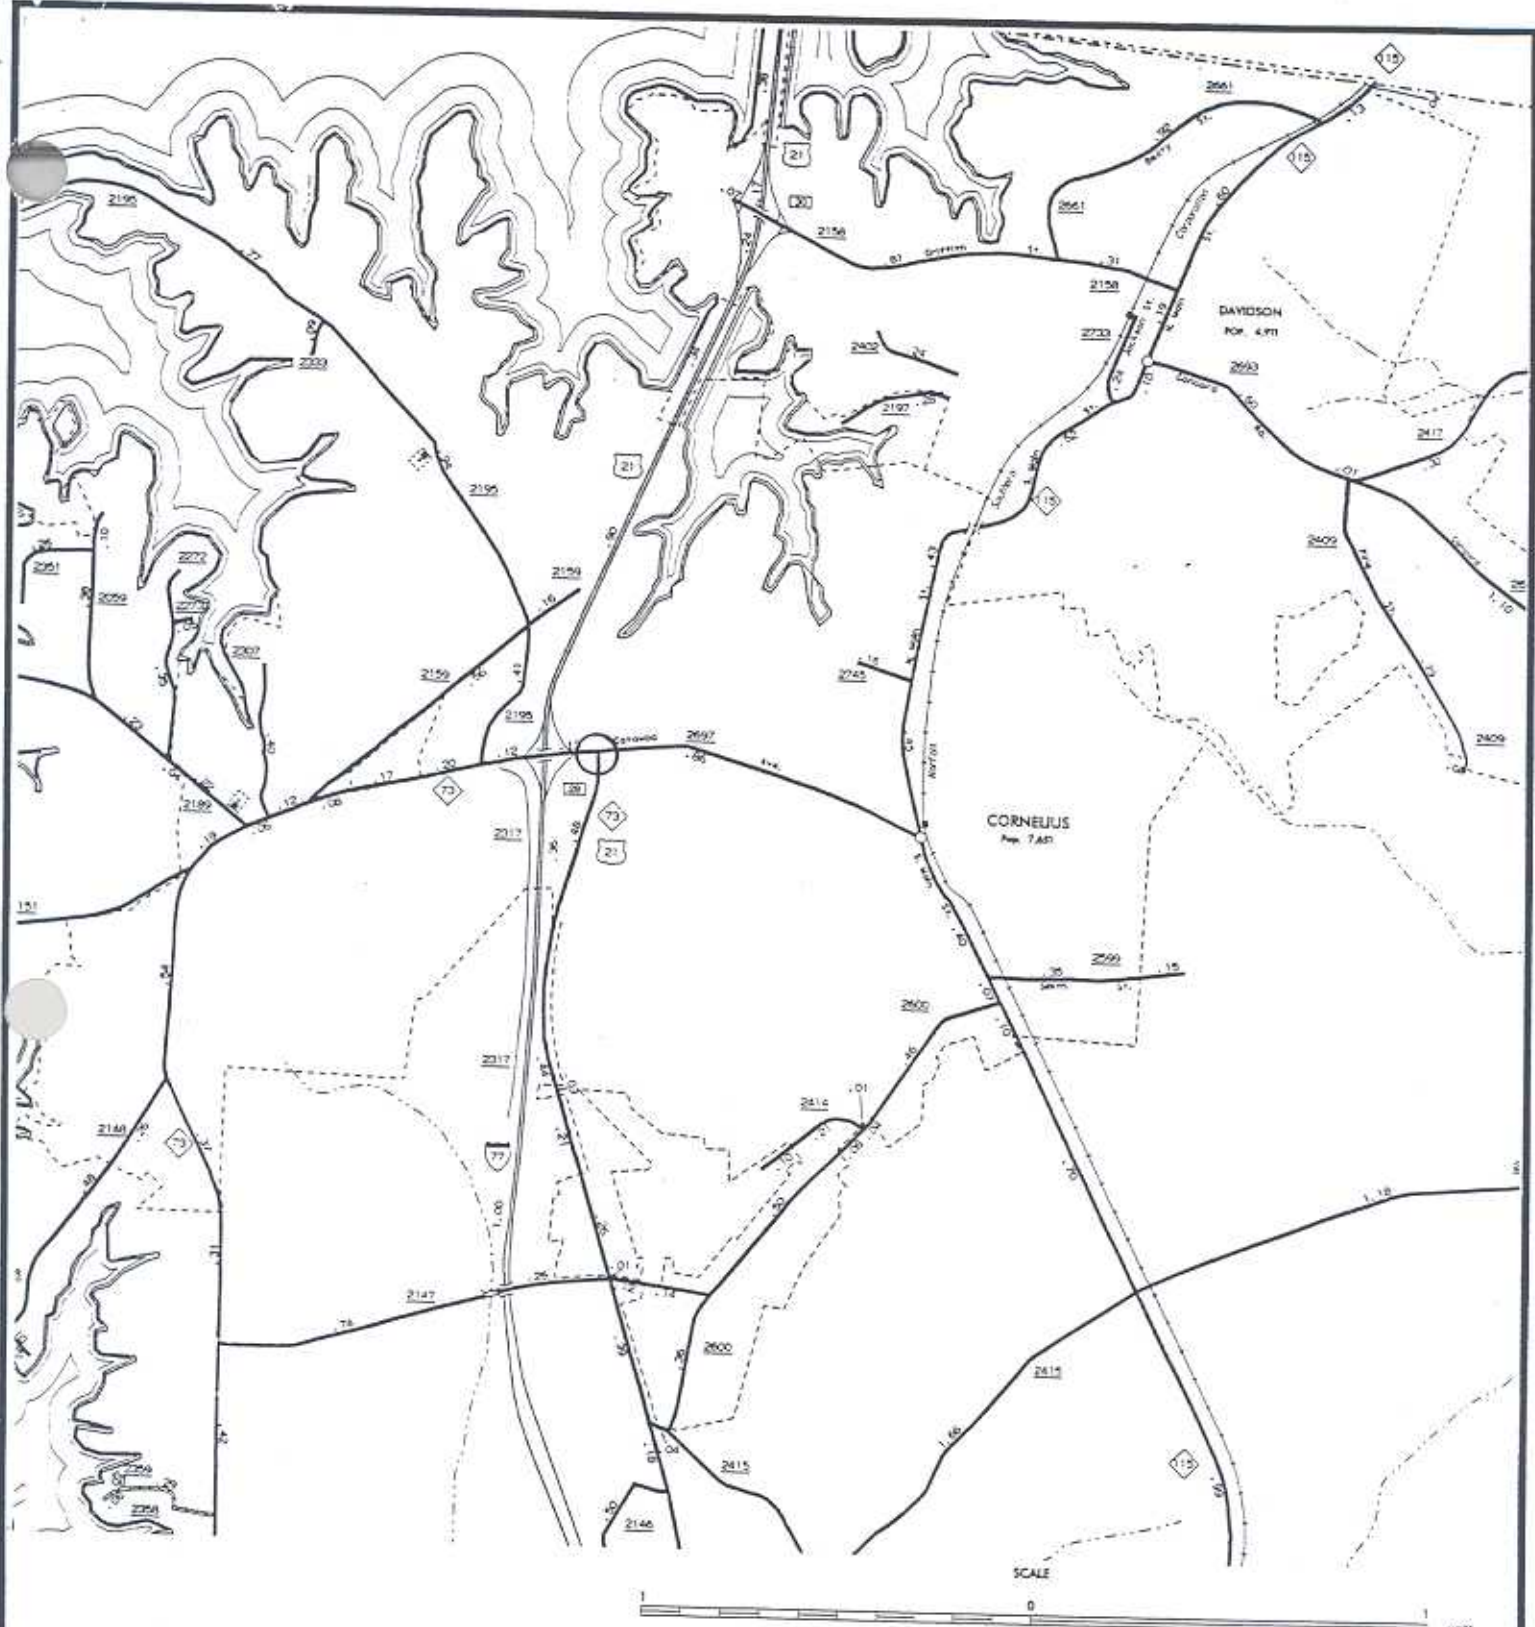

The Feasibility Studies Unit is developing feasibility studies for the projects described below. In order to receive comments and suggestions from the Roadway Design Unit and the Traffic Engineering Branch for these projects, a meeting has been scheduled for September 3, 1998, at 8:30, in the conference room of the responsible Roadway Design Project Engineer.

Project location maps and traffic estimates are attached for your use for each project. If you have any questions, please call me at (919) 733-2039, or email me at dlewis@dot.state.nc.us.
